AT ISSUE SCANNING ADVANTAGE

For CT Summation iBlaze

At Issue Technology, LLC is your scanning and Summation solution. We are Summation experts. We know litigation. We ask you all the right questions so that you get the scanning job that you need to make your job easier. At Issue Technology and its imaging partners give you the following advantages:

- Detailed project intake designed specifically for Summation
- All projects QC'd for compatibility with your Summation system
- Customized load files and document loading support
- Document production support
- Tips for managing documents in Summation

For CaseMap

Take advantage of CaseMap's integration with PDF documents. We'll help you set up your case so that loading and managing documents are a snap.
